

Alternative Muscle Club 5th Annual Meeting

Friday, September 22
9:00 am–6:00 pm

Sanford Consortium for Regenerative Medicine

2880 Torrey Pines Scenic Drive
La Jolla, CA

An opportunity for young investigators early in their research careers from academia, industry and medical sectors to present their work in a relaxed environment. The free daylong meeting will cover a wide range of research areas, reflecting the diverse types of cutting-edge muscle research undertaken today. Topics will include Muscle Structure and Signaling, Biomechanics and Biophysics of Muscle Contraction, Muscle Development, Muscle Regeneration and Cardiac vasculature.

Registration Deadline:
August 31, 2017
